**TWENTY-THIRD REPORT AND FEE NOTICE OF COSTS AND EXPENSES OF
THE SUCCESSOR TRUSTEE AND NAMED PLAN FIDUCIARY OF THE
CASTLETON GROUP INC. 401(K) PLAN**

Pursuant to the Order of the Court dated October 2, 2008, the Successor 401(K) Plan Trustee and Named Plan Fiduciary of the Castleton Group Inc. 401(K) Plan (the "Plan") submits this Twenty-Third Report and Fee Notice for fees and expenses for the period of September 1, 2010 to September 30, 2010 and October 1, 2010 to October 31, 2010.

ACTIVITY REPORT

Extended negotiations with the two bond carriers have resulted in potential recoveries. Extensive negotiations occurred throughout September and October with a multitude of parties including the U.S. Department of Labor, Castleton Group Inc., Ms. Suzanne Clifton, and Mr. Jay McLamb.

Potentially successful negotiations have occurred with AIG and the Travelers. Matters relevant to successfully concluding these negotiations have occurred and the sole matter remaining is a filing by the parties with the U.S. Federal District Court, the U.S. Bankruptcy Court, and the Settlement Agreement as executed by Ms. Clifton. Per the agreements negotiated is payment of \$265,000 paid in settlement by the insurers. Also a recovery of \$45,000 from the Castleton Group Inc. Bankruptcy estate is to be paid as well.

Since the filing of the Voluntary Compliance Program application on March 10, 2010 with the Internal Revenue Service, the IRS has acknowledged receipt and has assigned it a control number. It has not yet been assigned to an agent as of November 1, 2010. The Successor Trustee, in light of pending resolutions regarding missing funds

issued a letter to the IRS on October 18, 2010 and has encouraged the IRS to move forward with the Plan's Voluntary Compliance Program application. To date, the IRS has not responded. A copy of that letter has been attached to this report for the Court's information as **Exhibit 1**.

Upon completion and receipt of funds, the Successor 401(K) Trustee will file with the Court her request that the current freeze in place on the Plan be modified as to allow receipt of the settlement funds and their proper allocation.

ACCOUNTINGS REGARDING THE 401(K) PLAN

As noted in the Order of October 2, 2008, before causing the Plan to pay compensation, fees or expenses, the Successor Trustee is to provide written notice (the "Fee Notice") of such compensation, fees or expenses, by filing the Fee Notice with the Court, and by serving a copy to the U.S. Department of Labor, Employee Benefits Security Administration, Atlanta Regional Office, Atlanta, Georgia, and to all of the Participating Employers in the Plan. The Successor Trustee submits her Fee Notice and Activity Report on a monthly basis. If, within fifteen (15) days after filing of a Fee Notice, no objection to the Fee Notice or payment by the Plan of the compensation, fees or expenses described therein is filed with the Court, such compensation, fees or expenses shall be deemed reasonable expenses of the Plan and shall be paid by the Plan without further action or approval of the Court.

In an effort to reduce costs, copies of this Twenty-Third Fee Notice and Report are being posted to RMI's website and post cards are being mailed to notify the 47 participating employers of the filing and its being available on the RMI website.

Attached hereto as **Exhibit 2** is a schedule of the hourly rates for the Successor Trustee and the hourly rates of any staff of Receivership Management, Inc. that might be used to carry out the terms of the Court's Order of October 2, 2008.

Attached hereto as **Collective Exhibit 3** are expense summaries for the periods of September 1, 2010 to September 30, 2010 and October 1, 2010 to October 31, 2010.

Total expenses, as listed on Exhibit 3 include \$3,180.00 in Successor Trustee fees, \$17,652.35 in legal expenses and \$4,459.58 in contract labor expenses (which include auditor fees and identified charges for other fees, postage, copies, telephone, travel, etc.).

In anticipation of this filing, a draft of this Fee Notice and the invoices were shared with Mr. Chris Graebe, Counsel for certain Plan Participating Employers.

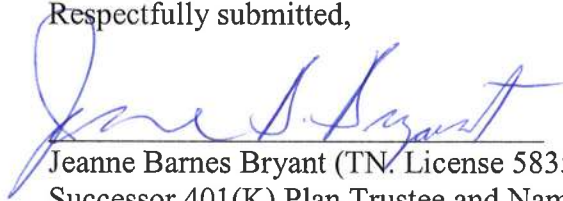

In the absence of any objection, reimbursement of \$3,180.00 in Successor Trustee fees, \$17,652.35 in legal expenses and \$4,459.58 in contract labor expenses will be paid from the Plan in accordance with the Court's October 2, 2008 Order. The exact amounts and the parties to be paid are listed below:

1.	Jeanne Barnes Bryant	\$3,180.00
2.	Wyatt Tarrant & Combs, LLP	\$12,981.60
3.	Berry & Tudor, PC	\$1,392.25
4.	Williams Mullen, PC	\$3,278.50
5.	Receivership Management Inc.	\$4,459.58
	\$3,949.25/Contract labor	
	\$510.33/Other expenses	

Pursuant to the Court's October 2, 2008 Order, if no objection is filed with the Court within fifteen (15) days after the filing of the Fee Notice with the Court, the Successor Trustee will proceed to authorize payments due counsel and any other parties listed.

Respectfully submitted,

Dated November 10, 2010

RE: The Castleton Group Inc. 401(K) Plan
VCP Filing Control No. 911693409

Dear Ms. Thomas:

I am writing to you to ask for your assistance concerning the VCP filing made on behalf of the Castleton Group Inc. 401(k) Plan. That filing was received by the IRS on March 17, 2010. While I have been advised that the length of time that this issue has been waiting for response is not outside of the normal time frame, I am writing to request your assistance or ask to be directed to whoever can be of assistance on this plan.

I was appointed by the Federal Court as the Successor 401(K) Plan Trustee and Named Plan Administrator to try to assist with this plan after this plan was adversely impacted by the actions of the former Trustee of the Plan. This plan (a multiple employer plan) was caught up in the aftermath of the larger complications of the Castleton Group. As you may know, there were criminal convictions concerning the actions of the former management concerning their failure to pay withholding and other amounts due the IRS.

As a part of that problem, there were missing funds in addition to the other issues that were addressed in the VCP filing that impacted the 401(k) plan. This plan has been frozen by the federal bankruptcy court as a part of the bankruptcy proceeding, and since my appointment I have been trying to fix as many of the problems possibly impeding the tax status of the plan as rapidly as possible, culminating in the VCP filing. A settlement has just been reached that will resolve the issue of missing funds. As a result this letter should be treated as an update to the above referenced VCP filing. It is my hope that this change will allow immediate attention to this filing and result in a favorable ruling on the plan.

I know that every filing has issues that are of importance to each employee and employer. However I do feel that the just over 700 employees of this plan deserve as fast action as is possible. Through no fault of their own, they have been caught up in this debacle of the

Castleton Group. While they have been able to direct their investments through Transamerica, they have been unable to access their funds for three years while this plan has gone through the legal process.

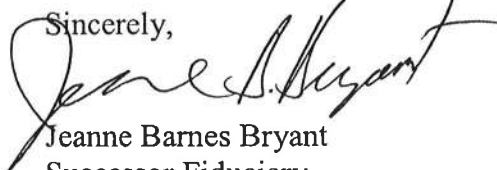

Other than a ruling on the VCP application, there is nothing that is standing in the way of the termination of this plan.

As you know, many of these employees' situations have changed dramatically over the last three years, and what was initially a big problem for them is now an urgent issue in these economic times. I have done everything that is within my power to solve the problems of this plan to allow a favorable ruling on the VCP and to allow these employees access to their funds.

The only other option I have absent a ruling on the VCP is to go back to the Court and ask for the court to lift the freeze for hardship applications. Given these economic times, I would expect a large number of these employees to apply, however much of the relief sought will most likely not fall within the parameters of the 401(K) rules governing hardship distributions. Even if this is a temporary solution, it will nonetheless cost the plan for court filings and administrative costs to go forward in this manner. If there is any possibility of a timely response on the VCP filing, that would solve not only the problems of the hardship employees, but also allow the entire group of employees to move forward from the currently frozen position of the plan.

I stand ready to answer any questions and to work with you to resolve the VCP filing and allow this plan to go forward. Since I have been involved with the plan, I have continually advised the employees to work with me and to try to let the system work to correct the problems that they have encountered through no fault of their own. At this time, it is harder and harder to respond to their inquiries with the answer that even though the VCP application has been with the IRS since March 17, 2010, that time frame is not unusual and to be patient. They have been very patient under difficult circumstances, and I would urge your attention to this filing.

Please let me know if there is anything I can do to further this process.

Sincerely,

Jeanne Barnes Bryant

Overhead charges are allocated pro-rata based upon the number of hours billed to a receivership. Overhead charges are included in the hourly rates shown above. Overhead includes expenses of a general nature which cannot be charged to a specific receivership. Examples include depreciation on equipment, insurance, etc.

Rent is allocated to a project based on a physical presence (i.e. Files, records, and other documentation) at the RMI location and the time spent on that project. It is by its nature an estimate and is normally set at the beginning of each quarter and remains constant during that quarter. It is charged, based on the preceding description, in addition to the hourly rates shown above. The allocation is reviewed each month and if there is a material change in either the physical presence occupied or time spent on the project, the rent allocation is adjusted to reflect current conditions.

Office Expenses which can be specifically identified to a project (eg. telephone, postage, copies etc.) are charged to the project as incurred.

Travel: Per Diem-\$39.00 for meals and incidentals (first and last day of travel 75% of per diem amount allowed). Per Diem paid only if overnight travel is required. Transportation: By private car: 58.5 cents per mile; By common carrier: Actual ticket cost at coach. Lodging: Actual amount charged.
