## FOURTH ACTIVITY REPORT OF INDEPENDENT FIDUCIARY

1. Receivership Management, Inc. ("RMI"), in its capacity as court-appointed Independent Fiduciary, by counsel and pursuant to ¶ 17 of the Preliminary Injunction entered in this matter (Dkt. 40) ("Preliminary Injunction"), submits to the Court its Fourth Activity Report.

### I. Introduction

2. On February 20, 2024, the Preliminary Injunction was entered appointing RMI as Independent Fiduciary to the "Mismanaged Plans" and "Client Plans," as defined therein

(collectively, the "Plans"), effective February 8, 2024. As Independent Fiduciary, RMI has been directed by the court to secure all Plan records from RiversEdge Advanced Retirement Solutions, LLC ("RiversEdge") and Mr. Paul Palguta ("Palguta") (collectively, the RiversEdge Defendants), to assist all Plans in facilitating the transfer of plan records to one or more other recordkeeping services providers in coordination with the initial Rule 19(a) Defendants, and to conduct an accounting of assets of the named 17 Mismanaged Plans. Preliminary Injunction ¶ 7. The Consent Order requires RMI to report to the Court on at least a monthly basis of all significant actions taken. *Id.*, ¶ 17.

#### II. Fourth Report of Independent Fiduciary

- A. Securing All Plan Records from the RiversEdge Defendants.
- 3. Since its Second Activity Report of April 12, 2024, RMI and its data contractor, Lattimore Black Morgan and Cain PC ("LBMC") have accomplished the following in the securing of Plan Records:
  - a. Completion of all plan record downloads from Schwab Retirement
     Technologies, Inc.
  - b. Receipt of thirteen (13) RiversEdge laptop computers used by the RiversEdge Defendants. On May 2, 2024 RMI issued letters to twelve (12) persons indicated by RiversEdge Defendants as employees or former employees. Of these twelve (12), ten (10) have returned their laptops to RMI. Of the ten (10) laptops, one (1) employee has not provided login credentials and two (2) laptops will not power on and the credentials cannot be verified. One (1) employee has notified RMI that he is not in possession of any pertinent laptop and one (1) employee failed to pick up their certified letter and the letter is being returned to sender.

- c. Established procedures for copying all Plan Data (between 255-260 plans) held by Rule 19(a) Defendant Schwab Retirement Technologies, Inc. ("Schwab RT"), placing same in a secure environment established by LBMC, and converting same to SQL for ease of query, all verified for accuracy and completeness.<sup>1</sup>
- d. Identification of two additional Plan records databases/software used by the RiversEdge defendants: Egnyte and WorkXpress. LBMC reports that it has completed extraction of 98% of the data contained on Egnyte. The remaining 2% have been extracted by RMI manually due to technical errors encountered by LBMC. LBMC has contacted WorkXpress, paid the \$900 for data and recontacted WorkXpress as a result of the Court's hearing for software access to view and evaluate the data. WorkXpress says it will need another \$900 to re-establish the data and \$2,400 for one month's access to their software (reportedly a discounted amount). These amounts were not contained in the budget and would require additional funding to accomplish. The Plaintiff has been informed of this situation. No further information has come from WorkXpress.
- B. Assisting All Plans in Facilitating the Transfer of Plan Records to Other Recordkeeping Service Providers.
- 4. Schwab RT reports, as of June 7, 2024, all but 8 Plans have identified replacement plan recordkeepers and transferred Plan Records (which Schwab RT refers to as "deconversion data files"). Two (2) of these are custodied at Charles Schwab Trust Bank. Six (6) are custodied at Mid-Atlantic Trust Company. Efforts continue to encourage these employers to move forward with these transfers.

<sup>&</sup>lt;sup>1</sup> "SQL" (pronounced "ess-que-el") stands for Structured Query Language. SQL is used to communicate with a database. According to ANSI (American National Standards Institute), it is the standard language for relational database management.

- 5. RMI has implemented a form to be completed by the sponsoring employer for the authorization to issue data belonging to its sponsored Plan to others as directed by the sponsoring employer. This includes data and paper record information that is not present on the Schwab RT system. This information involves adoption agreements, enrollment forms, Plan Documents, amendments thereto, loan documents and amortization schedules. RMI continues to receive requests for this information. As the new recordkeepers begin to review the data from Schwab RT, requests for this additional information will continue.<sup>2</sup>
- C. Accounting of the Transactions Within the Seventeen (17) Mismanaged Plans.
- 6. RMI has requested and received the following information from the RiversEdge Defendants, or on their behalf:
  - a. QuickBooks and General Ledgers of RiversEdge
  - b. PNC Bank Statements<sup>3</sup>
  - c. 13 computers; Access to 3 of those computers has not been achieved.
  - d. ERISA Bond and Insurance Information for the current policy years only (July 1, 2023 to June 30, 2024).
  - e. Full IRS Form1040 information for tax years 2017 to 2022, inclusive.
  - f. Mrs. Palguta has also provided transcripts, prepared by the Internal Revenue Service, of her and her husband's joint federal income tax returns for 2020, 2021, and 2022.

<sup>&</sup>lt;sup>2</sup> One of the most common questions has to do with reports normally prepared by RiversEdge Defendants for Form 5500 reporting. Those reports were not prepared for 2023 and many plan sponsors are left to find service providers to prepare this information.

<sup>&</sup>lt;sup>3</sup> The bank statements failed to include copies of cancelled checks. We have received this information from PNC Bank.

- g. Access to the tax return preparer for Mr. Palguta's 2017-2022 federal and state income tax returns.
- h. RiversEdge's fee/rate sheet(s) that told its clients about the fees
   RiversEdge charged during 2017-2023.
- 7. RMI has requested and not received from the RiversEdge Defendants:
  - a. 1 remaining computer belonging to RiversEdge.
  - b. Credentials for 1 laptop computer in RMI's custody.
- 8. RMI has continued to work with Rule 19(a) Defendant Mid Atlantic Trust Company ("MATC") on its Plan-level report regarding transactions within the Mismanaged Plans during 2017-2024. MATC has updated its report to reflect securities names as well as CUSIP numbers. It has also updated its draft report regarding two of the Mismanaged Plans. On April 14, 2024, RMI requested a copy of MATC's SOCs Audit. Said copy was received on April 29, 2024.
- 9. RMI has requested additional information from Schwab Retirement Technologies (SRT). RMI has had questions regarding the controls and control environment in place at Schwab Retirement Technologies and to understand the process used by RiversEdge Defendants to establish participant accounts recorded on the SRT System. We have been provided a SOCs I audit and had assumed there was also a SOCs II audit. Based on recent statements by SRT Counsel to RMI's request for "SOCs Audits," there are no SOCs II audits. In response to that situation, RMI recently posed a number of questions to SRT. A conference call with Plaintiff Counsel, SRT Counsel, and RMI counsel is scheduled for Friday, June 21, 2024. Responses to RMI's questions are essentially the final issues to completing the anticipated report from RMI.

#### III. OTHER MATTERS

- Mismanaged Plans regarding issues outside the scope of RMI's appointment as independent fiduciary of the Plans. Their questions center on asset recovery. RMI continues to encourage these employers to seek ERISA/retirement plan counsel to evaluate potential claims that either they or their sponsored plans may have. Participants have also contacted RMI regarding responsibility to replace missing funds. RMI has encouraged those individuals to seek counsel for advice they may need to exercise their rights under ERISA. As reported earlier, the RiversEdge Defendants have reported to RMI some policies of insurance that, in RMI's opinion, may provide some protection. RMI, through its counsel, encouraged the RiversEdge Defendants' Counsel to submit notification of the Court's Preliminary Injunction to these insurance carriers. The RiversEdge Defendants' counsel has informed RMI and its counsel that Mr. Palguta has notified all of the insurance carriers, other than RiversEdge's workers' compensation insurer. RMI has no authority under the Preliminary Injunction to notify the RiversEdge Defendants' insurance carriers of potential claims against the RiversEdge Defendants.
- 211. Several Plan sponsors have contacted RMI about whether any other insurance exists that would indemnify their Plans against alleged losses. RMI has informed those Plan sponsors that it is not authorized to engage in asset recovery for any of the Plans. Rather, it is the duty of each Plan's "administrator" (typically, the Plan's employer/sponsor) to engage its own counsel to assist it in determining whether recoveries can occur from filing claims with (1) the Securities Investor Protection Corporation (SIPC); (2) the ERISA bond purchased by the Plan's sponsor/employer to protect the Plan from theft losses; or (3) other sources, including without limitation, general liability insurance.

12. Recently, RMI was contacted by MATC regarding accounting work at participant levels to allocate losses. Some of the new plan recordkeepers and some employer sponsors believed this work would be completed by RMI. That is not the case, nor does our appointment cover these responsibilities. RMI has reported its belief that these loss allocations are the responsibility of the employer sponsors and their new recordkeepers to MATC. RMI believes that any participant-level recordkeeping and allocations are outside of the scope of its appointment.

Respectfully submitted,
