

- 1) Upon final order approving the IF's plan for final distribution becoming non-appealable, immediate distribution, as a final distribution, of \$9,398,643.99, pro rata, to the Type 3 Medical Providers that accepted and did not refund the interim distribution previously made ("relevant Type 3 Medical Providers"); and
- 2) Later distribution of \$2,692,788.58, plus any amount not deposited/accepted by the relevant Type 3 Medical Providers from the final distribution (*see* item 1 above), to Plan Members who have unpaid Plan Responsibility amounts related to the Medical Providers that did not participate in the interim distribution and/or that did not deposit/accept the final distribution ("relevant Plan Members").

After the completion of the two-stage final distribution, the IF will a) seek further order of Court regarding the disposition of any remaining Reserve held by the IF (as recommended below) and b) seek entry of orders of Court closing the Liquidation Estate and discharging the IF.

III. IF'S ASSET RECOVERY EFFORTS ARE COMPLETE

The IF has completed all asset recovery efforts instituted regarding the Liquidation Estate. There are, however, amounts owed to the Liquidation Estate from two settlements made by the Secretary of the Department of Labor ("Secretary") ("DOL Settlements") with individuals/entities relating to this matter. The amount outstanding as to the DOL Settlements, which if collected would be paid to the Liquidation Estate, is \$150,050.00. The IF has been informed by the Secretary that collection of the amounts owed pursuant to the DOL Settlements would be problematic given the financial conditions of the particular settling party and its/their ability to pay the outstanding amounts due and/or the costs anticipated by the Secretary for the collection of the outstanding amounts compared to the amount owed. The IF assesses the likelihood of receiving the remaining amounts from these DOL Settlements as low. If any DOL Settlement

amount outstanding is collected and sent to the IF prior to the final allocations, and distributions are initiated by the IF to the relevant Type 3 Medical Providers, then that amount will be included in the allocations and distribution. If any DOL Settlement amount outstanding is collected after the final allocations are made and the distributions are initiated to the relevant Type 3 Medical Providers, then those amounts will be added to the Reserve amount recommended below.

IV. ASSETS AVAILABLE REGARDING FINAL DISTRIBUTION TO RELEVANT TYPE 3 MEDICAL PROVIDERS AND RECOMMENDED RESERVE

a) Total Assets of the AEU Benefit Fund Liquidation Estate

As set forth in the most recent monthly report to the Court, the Liquidation Estate had \$12,339,376.70 in net assets. *See* D.E. #721, Exhibit 2 at p.2.¹ Since that report, because of the recent receipt of settlement payment amounts from a DOL settlement, the net assets of the Liquidation Estate are \$12,571,432.57. This \$12,571,432.57 amount includes \$979,112.41, which had been distributed to Type 3 Medical Providers in the interim distribution that (a) did not timely deposit the interim distribution payment, or (b) have refunded the interim distribution payment made to the particular Type 3 Medical Provider (*See* IF's Report as to Completion of Interim Distribution (D.E. #722)). As explained herein, the IF recommends that the \$979,112.41 not be part of the assets available for a pro rata final distribution to the relevant Type 3 Medical Providers, but rather be distributed to relevant Plan Members.

b) Information Regarding the Interim Distribution Previously Made and Impact Upon Final Distribution

As noted in the IF's separately filed Report as to Completion of Interim Distribution (D.E. #722), pro rata interim distribution checks totaling \$6,349,047.62 were sent to Type 3 Medical Provider claimants with \$5,369,935.21 being accepted, which is approximately 84.6% of the total

¹ These funds are deposited in financial institutions and interest is being earned on those funds as reported monthly by the IF. *See, e.g.*, IF's 80th Report (D.E. #721 at Ex. 2 "Interest Received" line item).

amount distributed in the interim distribution to Type 3 Medical Provider claimants. Those Type 3 Medical Providers claimants that accepted the interim distribution agreed they would not pursue Plan Members² for unpaid Plan Responsibility amounts related to the Medical Provider and would look solely to further pro rata distributions from the Liquidation Estate. *See* IF's Plan of Distribution (D.E. #687) at pp. 12-13 and Exhibit 5 thereto. Conversely, approximately 15.4% of the amount distributed in the interim distribution to Type 3 Medical Providers (\$979,112.41) has not been deposited/accepted, or has been refunded. Thus, those Type 3 Medical Providers that did not deposit, or have returned, the interim distribution, have not agreed to refrain from pursuing Plan Members for any unpaid Plan Responsibility amounts, and have, through their actions or inactions, indicated that they have no interest in receiving any distribution from the Liquidation Estate.

This 84.6% / 15.4% has impact – as set forth herein – regarding the IF's recommendations as to a final distribution.

c) Proposed Reserve For Independent Fiduciary Fees And Expenses

In addressing the fees and expenses incurred in moving forward through the process of securing an order approving the recommendations set forth herein (from September 1, 2024 until such order is entered and becomes final), the IF estimates: 1) legal fees and expenses of \$50,000 and 2) IF fees and expenses of \$10,000. Once an order approving the recommendations, as requested herein, is entered and becomes final, the IF further estimates its costs of processing, allocation, mailing, etc. regarding the final distributions as set forth herein, and regarding matters

² "Plan Member" is to mean the employees, spouses, dependents and guarantors covered by the AEU Employee Benefit Plan/Participant Plans who were eligible for payment of Plan Responsibility amounts from the AEU Benefit Plan and the Participating Plans for adjudicated Plan Responsibility amounts for medical services provided.

relating to the closure of the Liquidation Estate, will be approximately \$350,000.00, which includes, but is not limited to, the following:

- (a) processing and mailing final distributions to the relevant Type 3 Medical Providers as recommended herein;
- (b) processing and addressing refused/returned final distribution payments from the relevant Type 3 Medical Providers.
- (c) calculating the distribution of funds recommended to be paid to the relevant Plan Members (from both the interim and final distributions);
- (d) mailing the funds referenced in (c) above to the relevant Plan Members, along with an information letter identifying the Medical Providers that did accept the interim distribution, and mailing to the Plan Members not receiving funds an information letter identifying the Medical Providers that did accept the interim distribution. (D.E. #687 at p. 14, ¶39);
- (e) mailing to the Type 4 Claimants advising that no funds are available to distribute to them;
- (f) contacting the relevant Type 3 Medical Providers, Type 4 Claimants and Plan Members regarding the final distribution;
- (g) addressing the matters regarding submissions to state unclaimed property departments of unclaimed/uncashed payments regarding the Type 1 and Type 2 claimants and amounts not deposited regarding distributions to Plan Members; and
- (h) all matters regarding the closure of the Liquidation Estate and the discharge of the IF.

Legal fees and expenses after the entry of a final order approving the plan for final distribution recommended herein, and through the closure of the Liquidation Estate, are estimated to be \$70,000.00.

Accordingly, the IF recommends that an amount of \$480,000 be reserved from the assets presently held by the IF (“Reserve”) regarding calculation of what assets are available for a final distribution from the Liquidation Estate.³

³ There are matters involved in the IF’s good faith calculation of the Reserve and the amount available for final distribution the IF cannot predict or control. For example, this Motion could be opposed and the costs of defending and/or pursuing the Motion would decrease the amounts available for a final distribution, Court appearances may be

d) Amount of Assets Available for Final Distribution to Relevant Type 3 Medical Providers and Relevant Plan Members

The IF asserts, and recommends, that there is \$11,112,320.16 available regarding a pro rata final distribution:

Final Distribution Calculation

| | |
|-----------------|---|
| \$12,571,432.57 | (Net Assets as of 8/31/24, plus the \$232,055.78 recently received from DOL-AEU settlement) |
| - \$979,112.41 | (Funds not deposited – or funds refunded -- by Type 3 Medical Providers from the interim distribution which the IF recommends should be distributed to relevant Plan Members) |
| - \$480,000 | (Reserve) |
| \$11,112,320.16 | Total Distributable to relevant Type 3 Medical Providers and relevant Plan Members |

Of that \$11,112,320.16 amount, 84.6% (\$9,398,643.99) should be distributed pro rata, as a final distribution, to the relevant Type 3 Medical Providers that participated in the interim distribution. The remaining 15.4% (\$1,713,676.17) should be distributed to relevant Plan Members as set forth herein.

V. INDEPENDENT FIDUCIARY’S RECOMMENDATIONS AS TO PLAN FOR FINAL DISTRIBUTIONS

A. Summary of Recommendations as to IF’s Plan for Final Distributions

The IF recommends approval of its plan for final distribution which includes two stages. First, an amount of \$9,398,643.99 (approximately 84.6% of \$11,112,320.16) be distributed, pro

required regarding the matters set forth herein, costs regarding distribution to applicable Plan Members could be more than estimated and the final closure of the Liquidation Estate could involve unforeseen matters for the IF to address.

rata, to the relevant Type 3 Medical Providers. Second, an amount of \$2,692,788.58 (the \$979,112.41 amount not deposited (or refunded) by the Type 3 Medical Providers from the interim distribution, plus \$1,713,676.17 (approximately 15.4% of the above-referenced \$11,112,320.16), plus any amount not timely deposited or not accepted in the final distribution to the Type 3 Medical Provider), be paid to the relevant Plan Members. Because the amount not accepted from the final distribution by the relevant Type 3 Medical Providers will not be known until such occurs, and because of the cost savings inherent in making only one distribution to relevant Plan Members, the amounts of payments to Plan Members, and the identity of the Plan Members receiving a payment, will be determined after the final distribution to the relevant Type 3 Medical Providers is completed.

Accordingly, the IF requests approval from the Court of the following plan for final distribution:

- 1) Pro Rata Immediate Payment to the relevant Type 3 Medical Providers: \$9,398,643.99 (approximately 84.6% of the above-referenced \$11,112,320.16) will be distributed, pro rata, to the relevant Type 3 Medical Providers. The envelopes of the mailing of these distribution checks will state that if there is a forwarding address such forwarding address be noted on any return of the mailing. Those relevant Type 3 Medical Providers will have 90 days from the date of the check within which to deposit the final distribution amount. If the mailing of the check is returned by the U.S. Postal Service with a forwarding address, the check will be reissued and sent to that forwarding address and the relevant Type 3 Medical Provider will have 90 days to deposit that reissued check. If the check is not deposited within the applicable 90 day period, the check will be voided and the relevant Type 3 Medical Provider will not receive a final distribution payment. These unaccepted funds will be distributed to the relevant Plan Members, as set forth below.
- 2) Payment to Relevant Plan Members: After the expiration of the above-referenced 90 day period(s) regarding final

distribution to the relevant Type 3 Medical Providers, the IF will distribute the following amounts to relevant Plan Members:

- a. The \$979,112.41 that was not deposited/accepted or has been returned to the IF by Type 3 Medical Providers as part of the interim distribution;
 - b. The amount for unpaid medical billings that would have been paid in a final distribution to a Type 3 Medical Provider but for the fact the particular Type 3 Medical Provider did not deposit or has returned the interim distribution (\$1,713,676.17, which is approximately 15.4% of above-referenced \$11,112,320.16);
 - c. The amounts not deposited/accepted from the final distribution by the relevant Type 3 Medical Providers.
 - d. The IF will send to these relevant Plan Members a distribution check and an informational statement identifying the Type 3 Medical Providers that accepted the interim distribution and thus are prohibited from pursuing the relevant Plan Member for any remaining unpaid Plan Responsibility Amounts related to that Medical Provider.
 - e. The relevant Plan Member will have 120 days to deposit the check. If the mailing to the relevant Plan Member is returned to the IF, it will use reasonable efforts to identify another address and will reissue the check, and the above-referenced informational statement, and mail to that identified address. The relevant Plan Member will be informed that the check must be deposited within 120 days of the date of the reissued check. If after the applicable 120 day period, the relevant Plan Member has not deposited the check, then the IF will send the funds to the unclaimed property department of the state which the records of the IF indicate the particular Plan Member resides.
- 3) Treatment of Plan Members Who Will Not Receive Payments From the Liquidation Estate: Plan Members not

receiving a payment – *i.e.*, those Plan Members whose unpaid Plan Responsibility amounts have been addressed through the interim distribution process -- will receive a statement identifying the Medical Providers that accepted the interim distribution and thus are prohibited from pursuing the Plan Member for any unpaid Plan Responsibility amounts related to those Medical Providers. If that mailing is returned to the IF, it will use reasonable efforts to identify another address for the Plan Member and resend the information to that identified address.

- 4) Notice to Type 4 Claimants: Because the distributions set forth above will exhaust all assets available for distribution, there will be no distribution to Type 4 claimants. The IF will send letters to the Type 4 claimants notifying them of such.
- 5) Closing Matters Regarding the Liquidation Estate: After the completion of the two stage final distribution set forth above, the IF will seek further order of the Court regarding recommendations as to the matters relating to the final closure of the Liquidation Estate, including disposition of any remaining Reserve and the discharge of the IF.

B. Recommended Final Distributions to Type 3 Medical Providers

As stated above, the IF recommends that \$9,398,643.99 be distributed, pro rata, to the relevant Type 3 Medical Providers.

Pursuant to the Plan of Distribution, pro rata payments of interim distributions to the relevant Type 3 Medical Providers were accompanied with a letter – Exhibit 5 to the Plan of Distribution. Both the Plan of Distribution and Exhibit 5 are clear that a Type 3 Medical Provider that accepted the interim distribution payment agreed, amongst other matters, not to pursue a Plan Member for any unpaid Plan Responsibility amounts, but rather would look exclusively to the Liquidation Estate for any further/final pro rata distribution. *See* Plan of Distribution D.E. 687 at ¶s 16 and 36, and Exhibit 5 thereto.

The relevant Type 3 Medical Providers accepted the pro rata interim distribution with the expectation that a final pro rata distribution would be made to them. The relevant Type 3 Medical Providers accepted a pro rata amount which consisted of approximately 84.6% of the total of the interim distribution. Therefore, approximately 84.6% of the amount available for final distribution (\$9,398,643.99, or 84.6% of the above-referenced \$11,112,320.16) should be paid, pro rata, to the relevant Type 3 Medical Providers. Attached as Exhibit 1 hereto is a listing of the relevant Type 3 Medical Providers with their final pro rata distribution amounts – which would be approximately 20¢ on the dollar (in addition to the approximately 11¢ on the dollar previously accepted from the interim distribution). Accompanying that final distribution to the relevant Type 3 Medical Providers would be a letter from the IF in the form attached as Exhibit 2 hereto.

C. Recommended Payment to Relevant Plan Members of the Amounts of Interim Distributions Not Deposited or Which Have Been Refunded by Relevant Type 3 Medical Providers And 15.4% of the Amount Available for Final Distribution

As noted in the IF's Report as to Completion of Interim Distribution (D.E. #722), an amount of \$979,112.41 was sent to Type 3 Medical Provider claimants as part of the interim distribution but was not deposited, or has been returned to the IF, by various Type 3 Medical Providers. Under the Plan of Distribution, the IF is to maintain control of those funds and make recommendations to the Court as to the disposition of those funds. *See* D.E. # 687 at p. 11.

The IF considers the failure or inaction of the Type 3 Medical Providers to deposit the interim distribution payments, and the actions of certain Type 3 Medical Providers in refunding the interim distribution back to the IF -- which is a total of 15.4% of the interim distribution -- to indicate that those Type 3 Medical Providers are not interested in any distribution from the Liquidation Estate. Therefore, the IF asserts that it would be wasteful and futile to send a final distribution to those Type 3 Medical Providers only to have those payments not deposited or

returned. The failure to deposit (or the refund) by these Type 3 Medical Providers of distribution from the Liquidation Estate could mean that those particular Type 3 Medical Providers want to maintain the ability to pursue the individual Plan Member for unpaid Plan Responsibility amounts relating to the particular Medical Provider. Presently, the Court's All Writs Act Order, entered November 15, 2017 (D.E. #38), prohibits those Medical Providers from doing so. But at the closure of this action, these Medical Providers may think differently.

With that as context, the IF recommends, as part of the plan for final distribution in this matter, that the \$979,112.41 amount resulting from Type 3 Medical Providers not depositing the interim distribution and/or refunding the interim distribution to the IF, be paid to the individual Plan Members who, according to the records available to the IF, were involved in the unpaid Plan Responsibility amounts at issue regarding those particular Type 3 Medical Providers. Moreover, because approximately 15.4% of the amount available to pay Type 3 Medical Providers in the final distribution would be paid to those Medical Providers that have already indicated they do not want any distribution from the Liquidation Estate, said amount should also be paid to the relevant Plan Members. The IF recommends this disposition and treatment of these funds for the reason that those Type 3 Medical Providers that have not deposited the interim distribution, and those Type 3 Medical Providers which have refunded the interim distribution, have indicated no interest in accepting any distribution (interim, final or otherwise) from the Liquidation Estate and thus, have not agreed to refrain from pursuing Plan Members for unpaid Plan Responsibility amounts related to the particular Medical Provider. *See* Plan of Distribution, Exhibit 5, p. 261 of D.E. # 687.

Accordingly, as part of its plan for final distribution, the IF recommends that the interim distribution amount not deposited (or returned) (\$979,112.41) and the amounts that would have

been paid to the particular Medical Providers in the final distribution had the Medical Provider accepted the interim distribution (approximately 15.4% of \$11,112,320.16 -- \$1,713,676.17) should be paid to the relevant Plan Members to assist in addressing any potential later pursuit of unpaid Plan Responsibility amounts by the Type 3 Medical Providers that did not accept the interim distribution from the Liquidation Estate.

As set forth later in this filing, if its recommendation regarding its plan for final distribution is approved by the Court, the IF will send checks to the relevant Plan Members as part of the second stage of the final distribution, along with information identifying the relevant Type 3 Medical Providers that accepted the interim distribution payments and thus are precluded from pursuing the Plan Member for any unpaid Plan Responsibility amount. *See* D.E. #687 at p. 14, ¶39.

**D. Recommended Disposition of Final Distribution Amounts
Not Deposited or Returned**

As set forth herein, if approved by the Court, the first stage of the recommended plan for final distribution would have final, pro rata, distribution payments sent to the relevant Type 3 Medical Providers, with an accompanying letter (template attached as Exhibit 2 hereto). That letter will explain the enclosed final distribution payment and give notice that the payment must be deposited within 90 days of the date of the check, otherwise the check will be voided and the relevant Type 3 Medical Provider would forego the ability to receive its final distribution. If that mailing is returned to the IF with a forwarding address noted, then the IF will reissue the final distribution payment and send it to the forwarding address, giving another 90 days within which to deposit the check. If the final distribution check is not deposited within the above-referenced 90 day periods, then the IF will add the amount of the undeposited distribution to the amount to be paid to the relevant Plan Members.

E. Recommended Notice to Type 4 Claimants

Payments to the relevant Type 3 Medical Providers and to the relevant Plan Members, as recommended by the IF regarding its plan for final distribution, will exhaust the funds available for distribution from the Liquidation Estate. There will be no funds available to distribute to Type 4 Claimants (general creditors, vendors, etc.). This outcome was disclosed to the Type 4 Claimants when the interim distribution was made. *See* D.E. #687 at p. 11 and Exhibit 6 thereto. The IF recommends that as part of the final distribution, a letter be sent (in the form attached as Exhibit 3 hereto) to each Type 4 Claimant confirming it will not receive any distribution from the Liquidation Estate.

F. Recommended Process of Informing Plan Members of the Final Distribution and Related Matters

As noted herein, part of the IF's recommended plan for final distribution is the sending of informational letters (and in some cases checks) to Plan Members.

The IF recommends that, upon completion of the distribution process to relevant Type 3 Medical Providers, it send a statement to all Plan Members (regardless of whether they are receiving a distribution check) that will provide information identifying the Medical Providers that accepted the interim distribution payment. These mailings will be sent to the Plan Members' last known address, according to the records of the IF. *See* D.E. #687 at p. 14, ¶39.

If mailings are returned by the U.S. Postal Service to the IF, then the IF will engage in reasonable efforts to locate a current address and, if successful, resend the materials and, if applicable, the IF will reissue the distribution check to the Plan Member. If these efforts fail regarding the Plan Members receiving distribution checks, or if the Plan Members receiving distribution checks do not deposit those checks within the time allowed, then the IF will forward the amount of the distribution check to the unclaimed property office/department of the state

indicated in the last known address of the applicable Plan Member.⁴

VI. NOTICE OF THIS MOTION

Upon filing of this Motion and exhibits, the individuals listed on the ECF system will be provided notice. The IF will post a copy of this Motion and all exhibits on the website maintained by the IF dedicated to this matter (www.receivermgmt.com/aeubenefitplan-htm). It has been the experience of the IF that more expansive and expensive efforts to give notice regarding matters relating to the Liquidation Estate have resulted in no response from those to whom notice was given. For example, the IF's Motion to Approve Plan of Distribution (D.E. 588) had a request that the Court approve broad notice of that motion with a deadline to object. That request was approved (D.E. #611) and notice was given. But, as reported by the IF, no person or entity commented/responded/objected (D.E. #625).

The IF asserts that giving notice of this Motion, in addition to the website posting and as available publicly via PACER, would be wastefully expensive and have no expected impact upon the Type 3 Medical Providers. No Type 3 Medical Provider has objected to any matter presented by the IF – of particular significance, no objection to the IF's Motion regarding its interim distribution (*see* D.E. #625). The relevant Type 3 Medical Providers know they are prohibited from pursuing Plan Members for unpaid Plan Responsibility amounts and are simply awaiting a final distribution. Those Type 3 Medical Providers who did not deposit (or have refunded) the interim distribution, have not objected to any proceedings herein, but rather have shown, through their actions or inactions, that they do not want any distribution (interim, final or otherwise) from the Liquidation Estate.

⁴ As noted in its Report as to Completion of Interim Distribution (D.E. #722), state unclaimed property departments have differing time periods that the payor (i.e. the IF) must hold the funds prior to its submission to the unclaimed property department of the relevant state. Some states' "payor holding periods" are a matter of months. Other states' "payor holding periods" are a matter of years.

Regarding Plan Members, the Plan of Distribution directs that notice be provided to them of all the Type 3 Medical Providers that accepted the interim distribution (D.E. #687 at p.14, ¶39) and that is part of the IF's recommendations set forth herein. As to those Plan Members who would receive distribution checks, as recommended herein, those individuals would receive distribution amounts for the reasons set forth herein – as a matter of equity and fairness regarding potential exposure to pursuit for unpaid Plan Responsibility amounts by Type 3 Medical Providers that have not accepted the distributions. Therefore, any Plan Member, noted in the IF's plan of final distribution as receiving a check, would very likely not object to the plan.

Finally, it has been the experience of the IF, that any person or entity interested in the progression of a liquidation estate would stay current regarding website posting and/or PACER filings, both of which will occur in relation to this filing.

Accordingly, the IF asserts that notice through website posting and the PACER record is adequate with regard to this Motion and would request, as part of its Order, were this Motion to be granted, that the Court so find.

VII. REQUEST THAT ORDER APPROVING IF'S RECOMMENDATION AS TO ITS PLAN FOR FINAL DISTRIBUTION AND IF'S REQUEST TO MAKE FINAL DISTRIBUTION TO TYPE 3 MEDICAL PROVIDERS BE ENTERED AS A FINAL ORDER PURSUIT TO RULE 54(B) FED. R. CIV. P.

As set forth herein, the IF is requesting approval of its plan regarding final distribution from the Liquidation Estate and requesting approval of the immediate pro rata distribution of amounts to the relevant Type 3 Medical Providers who/which participated in the interim distribution. However, if approved by the Court, these matters will not dispose of all matters relating to the Liquidation Estate – e.g. the distribution of amounts to the Plan Members, the providing of further recommendation – and seeking order of Court – regarding, for example, the disposition of any remaining Reserve, the seeking of an order of Court for closure of the

Liquidation Estate and discharge of the IF.

This Court made final, under Rule 54(b) Fed. R. Civ. P., its order that approved the IF's plan of distribution/interim distribution. (D.E. #682 at p. 2). The Court did so upon the reasoning set forth in the IF's motion to approve that plan of distribution/interim distribution (D.E. #589 at pp. 29-34). The IF asserts that the same reasoning supports entry of a final order approving the plan for final distribution and approving the final distribution to the relevant Type 3 Medical Providers. There is a need for certainty as to actions the IF will undertake regarding the plan for final distribution and the distribution of final payments to the relevant Type 3 Medical Providers. Such certainty would be afforded through entry of an order granting the relief sought herein as final under Rule 54(b) Fed. R. Civ. P.

Accordingly, the IF requests, based upon the reasoning set forth in its motion to approve plan of distribution/interim distribution (D.E. #589 at pp. 29-34) – as adopted by the Court (D.E. #682 at p. 2) – that the Court expressly determine that there is no just reason to delay entry of an order approving the IF's plan of final distribution and approving the final distribution to the Type 3 Medical Providers as set forth herein, as a final order pursuant to Rule 54(b) Fed. R. Civ. P.

RE: AEU Benefit Plan Court Ordered Liquidation (Martin J. Walsh v AEU Benefits, LLC, et al, Case No. 1:17-cv-07931-(Hon. John F. Kness), United States District Court Northern District of Illinois at Chicago)

Dear _____:

You are one of the medical providers / Type 3 claimants which have timely-filed approved and eligible claims in the AEU Benefit Fund Liquidation Estate. You also are one of the medical providers with such claim which received and have accepted a pro rata interim distribution regarding that claim from the AEU Benefit Fund Liquidation Estate pursuant to the Independent Fiduciary's Plan of Distribution/Interim Distribution approved by order of the United States District Court Judge, John F. Kness, dated 03/28/2023, which can be found at www.receivermgmt.com/aeubenefitplan-htm.

By accepting the above-referenced interim distribution, you agreed a) that you would not pursue Plan Members for any unpaid amount of Plan Responsibility, b) that you had not and would not assign the ability to pursue such amount to any other person or entity, and c) that you would not report negative credit information relating to Plan Members regarding unpaid Plan Responsibility Amounts. You further agreed that while you maintained the right to receive further or final distributions made in accordance with the Court-approved Plan of Distribution, that you would look solely and exclusively to the AEU Benefit Fund Liquidation Estate for any such recovery.

The enclosed check represents your final pro rata distribution from the AEU Benefit Fund Liquidation Estate, which represents approximately 20 ¢ on the dollar of your allowed and eligible claim, which, in addition to the pro rata interim distribution of 11 cents for every \$1.00 of allowed and eligible claim, totals a pro rata distribution of approximately 31¢/dollar. The enclosed check covers the following tracking numbers:

You must deposit the enclosed check by no later than 90 days from the date of the check, because it will be voided after that date. It will not be replaced.

A Medical Claims Determination Statement (MCDS) which provides the claims details related to this payment has previously been provided to you. To request a duplicate copy of you MCDS, please visit www.receivermgmt.com/aeubenefitplan-htm and click on the blue banner at the top of the page to submit the online request form. Claims details will not be discussed over the phone, you must request a duplicate copy of your MCDS via the online form located on our website or by sending an email with all check details and contact information to aeu@receivermgmt.com.

If you do not deposit the enclosed check within the referenced 90 days, you will be deemed to have decided that you do not want a final distribution from the AEU Benefit Fund Liquidation Estate. However, because you did deposit the earlier sent pro rata interim distribution, you have agreed to the matters set forth above, -- e.g. not pursuing Plan Members for unpaid Plan Responsibility Amounts.

RE: AEU Benefit Plan Court Ordered Liquidation (**Martin J. Walsh v AEU Benefits, LLC, et al**, Case No. 1:17-cv-07931-JHL-SMF, United States District Court Northern District of Illinois at Chicago)(Kness)

Dear (INSERT NAME) :

You are receiving this letter because you have made a claim against the AEU Holdings LLC Employee Benefit Plan Liquidation Estate that has been classified as a Type 4 Claim. Pursuant to the Independent Fiduciary's court-approved Plan of Distribution, a Type 4 Claim is subordinate in priority to claims by the Independent Fiduciary for its fees and expenses, Type 1 claims (plan participant reimbursement claims), Type 2 Claims (employer reimbursement claims) and Type 3 Claims (medical provider claims).

You received a correspondence from the Independent Fiduciary stating that, regarding an interim distribution from the AEU Liquidation Estate, there were no funds available for a distribution regarding your Type 4 Claim. You were further informed that if funds became available such that a distribution regarding your Type 4 Claim could be made, you would be notified of such.

On _____, 2024, the Independent Fiduciary moved Court, in the above-referenced action, to approve its plan for final distribution regarding the assets available for distribution. On _____, 2024, the Court-approved the Independent Fiduciary's plan for final distribution. Under that Court-approved plan, there are no funds available for any distribution, pro rata or otherwise, to your Type 4 Claimant.

Please review materials posted on the website www.receivermgmt.com/aeubenefitplan.htm regarding this matter or contact the Independent Fiduciary at the above noted address and telephone number, if you have questions regarding this matter and the disposition of your Type 4 Claim.

AEU Benefit Plan Independent Fiduciary

Exhibit 4
To Independent Fiduciary's Motion to
Approve Plan of Final Distribution

In granting the IF's Motion, the Court approves the following procedure relating to the IF's plan for final distribution:

- 1) Pro Rata Immediate Payment to the relevant Type 3 Medical Providers: Upon entry of this Order, made final pursuant to Rule 54 (b) Fed. R. Civ. P., \$9,398,643.99 will be distributed, pro rata, to the relevant Type 3 Medical Providers set forth in Exhibit 1 to IF's Motion. The envelopes of the mailing of these distribution checks will state that if there is a forwarding address, such forwarding address be noted on any return of the mailing. Those relevant Type 3 Medical Providers will have 90 days from the date of the check within which to deposit the final distribution amount. If the mailing of the check is returned by the U.S. Postal Service with a forwarding address, the check will be reissued and sent to that forwarding address and the relevant Type 3 Medical Provider will have 90 days to deposit that reissued check. If the check is not deposited within the applicable 90 day period, the check will be voided and the relevant Type 3 Medical Provider will not receive a final distribution payment. These unaccepted funds will be distributed to the relevant Plan Members, as set forth below.
- 2) Payment to Relevant Plan Members: After the expiration of the above-referenced 90 day period(s) regarding final distribution to the relevant Type 3 Medical Providers, the IF will distribute the following amounts to relevant Plan Members:
 - a. The \$979,112.41 that was not deposited/accepted or has been returned to the IF by Type 3 Medical Providers as part of the interim distribution;
 - b. The amount for unpaid medical billings that would have been paid in a final distribution to a Type 3 Medical Provider but for the fact the particular Type 3 Medical Provider did not deposit or has returned the interim distribution (\$1,713,676.17);
 - c. The amounts not deposited/accepted from the final distribution by the relevant Type 3 Medical Providers.

- d. The IF will send to these relevant Plan Members a distribution check and an informational statement identifying the Type 3 Medical Providers that accepted the interim distribution and thus are prohibited from pursuing the relevant Plan Member for any remaining unpaid Plan Responsibility Amounts related to that Medical Provider.
 - e. The relevant Plan Member will have 120 days to deposit the check. If the mailing to the relevant Plan Member is returned to the IF, the IF will use reasonable efforts to identify another address and will reissue the check, and the above-referenced informational statement, and mail to that identified address. The relevant Plan Member will be informed that the check must be deposited within 120 days of the date of the reissued check. If after the applicable 120 day period, the relevant Plan Member has not deposited the check, then the IF will send the funds to the unclaimed property department of the state which the records of the IF indicate the particular Plan Member resides.
- 3) Treatment of Plan Members Who Will Not Receive Payments From the Liquidation Estate: Plan Members not receiving a payment – *i.e.*, those Plan Members whose unpaid Plan Responsibility amounts have been addressed through the interim distribution process – will receive a statement identifying the Medical Providers that accepted the interim distribution and thus are prohibited from pursuing the Plan Member for any unpaid Plan Responsibility amounts related to those Medical Providers. If that mailing is returned to the IF, the IF will use reasonable efforts to identify another address for the Plan Member and resend the information to that identified address.
- 4) Notice to Type 4 Claimants: Because the distributions set forth above will exhaust all assets available for distribution, there will be no distribution to Type 4 claimants. The IF will send letters to the Type 4 claimants notifying them of such.
- 5) Closing Matters Regarding the Liquidation Estate: After the completion of the two stage final distribution set forth

above, the IF will seek further order of the Court regarding recommendations as to the matters relating to the final closure of the Liquidation Estate, including disposition of any remaining Reserve and the discharge of the IF.

In addition, pursuant to Rule 54 (b) Fed. R. Civ. P, and upon the reasoning set forth in the IF's Motion (D.E. # ____ at pp. 15-16), the Court expressly determines that there is no just reason to delay and directs entry of a final judgment as to this Order and the matters addressed herein.

Upon entry of this Order, the IF shall post a copy of this Order on the website dedicated to this matter (www.receivermgmt.com/aeubenefitplan-htm).

SO ORDERED in No. 17-cv-07931
